Welcome to AECOM Ground Engineering Latex format reporting

Example 1: The following paragraph (given in quotes) is anexample of centred alignment using the center environment.“LaTeX is a document preparation system and document markuplanguage. LaTeX uses the TeX typesetting program for formattingits output, and is itself written in the TeX macro language.LaTeX is not the name of a particular (executable) typesetting program, butrefers to the suite of commands (TeX macros) which form the markupconventions used to typeset LaTeX documents.“
